Dear [Redacted],

I am pleased to inform you that you have been granted the following award, which will help defray the cost of your tuition for the Doctor of Medicine program at St. George's University of Grenada / Northumbria University Newcastle commencing August 2021.

Award Name	Award Amount
International Peace Bursary	\$90,000 USD
Total Award:	\$90,000 USD

Year 1 Preclinical Per Term Amount:	£3,153 GBP equivalent to \$4,099 USD
Years 2-5 Per Term Amount:	\$9,089 USD

Your award will be distributed on a per term basis beginning in your preclinical year in August 2021 and will be applied to your student account every term. Scholarship disbursement in year 1 will be pounds (GBP) as reflected on your student account at NU. After that, for the remainder of your MD education, your scholarships will be reflected on your student account at SGU in US Dollars (USD).

The determination has been based upon standards required for this award as well as the availability of funding from the University. It is contingent upon confirmation and documentation of facts presented on your application. Please be aware of the conditions of institutional financial aid at St. George's University, which appear on page two of this letter.

This is a partial award and does not cover all the tuition, fees, and living expenses you will need to complete your medical education. Please note the amount of the award offered per term will be applied to the combined Term 3 and Term 4 MD. Feel free to call your Admission Counselor if you need any further information regarding the scholarship or the program's estimated cost of attendance.

Please allow me to congratulate you on being awarded one of these coveted scholarships.

Sincerely,

Bob Ryan

Dear [Redacted]

I am pleased to inform you that you have been granted the following award, which will help defray the cost of your tuition for the Doctor of Medicine program at St. George's University commencing August 2021. You have demonstrated the qualities that lead to a successful medical education and, more importantly, to a career as a physician who will carry on the tradition of St. George's University graduates.

Your award package will be distributed as shown below for the Doctor of Medicine program. Please be aware of the conditions of institutional financial aid at St. George's University, which appear on page two of this letter.

Award Name	Award Amount
International Peace Bursary	\$80,000 USD
Total Award:	\$80,000 USD

Preclinical Per Term Amount:	\$4,000 USD
MD Per Term Amount:	\$8,000 USD

This is a partial award and does not cover all the tuition, fees, and living expenses you will need to complete your medical education. Please note the amount of the award offered per term will be applied to the combined Term 3 and Term 4 of MD. Feel free to call your Admissions Officer if you need further information regarding your award package or the program's estimated cost of attendance.

Please allow me to congratulate you on being awarded this package.

Sincerely,

Bob Ryan
